This is a lot better than how my teacher described it. I'm so glad that I have this service available to me.	11th
Wonderful, patient tutor. Please continue this! :)	11th
This site is so great! I just learned about it this year but its been SO helpful with my research paper, even just for an opinion on how to word somethig. I've only used it for the writing center so far, but I can't emphasize enough how great it is!	11th
The only reason I marked the session as poor, was because I lost connection with my tutor and didn't get the changes she made to my document.	11th
One suggestion that I would make is to have this service available any day of the week during any time. It would be nice to use this program in school to help me with my assignments.	12th

Excellent tool!	12th
The pen on the whiteboard is somewhat sloppy, and it sometimes gets hard to read what's on it.	College - Intro
